COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In the Statement of Reasons for Allowance, examples are given of methods for discovering information about the network. Applicants would like to make clear that the claims are not limited to these or any particular methods of discovery. In addition, the reasons for allowance refer to providing the information through a “common” API which has been removed from the claims to make clear that any API can be used.

If there are any questions concerning the foregoing, the Examiner is invited to contact the undersigned at the number listed below.
